welcome

Congratulations on making the decision to meet virtually!

At Encore, our mission is to make the transition from 'Face to Face' to virtual seamless, allowing you to focus on delivering your message at the highest levels possible to connect and inspire your audience.

We are excited to offer an incredible platform to showcase your e-Poster.

Our platform offers a variety of features that include items such as hosted PDF for e-Poster & Video display and text-based chat features to easily spark conversations with your target market.

To further assist you with preparing for your virtual experience, we are pleased to offer our 'Virtual Exhibit/ e-Poster Support Team'. This is not a 'bot' but real people who are skilled in the business of supporting virtual conferences. For us, delivering "World Class Service" isn't just a catch phrase, it's our core belief.

If there is anything we can do in the interim, please do not hesitate to ask.
